Summer School "Russian Intensive Course"

**7 July – 3 August 2014 (four week course)
7 July – 20 July 2014 (two-week course)**

Moscow

The Russian Course

Our intensive language training programme is an effective method to learn Russian as a foreign language in groups of participants from all over the world. Our **four (or two)-week course** is perfect to learn or improve your Russian language skills.

The course includes two modules: "Russian language" and "Architecture of Moscow"

Special feature

You won't learn Russian just in the classroom! You can practice your Russian in a playful or business atmosphere. During intensive training program you will have an opportunity to visit the Pushkin Museum of Fine Arts, Tretyakov gallery – the leading scientific and cultural centre of Russia, the world's largest Museum of Russian art, and other cultural sights of Moscow.

You will learn more about Russian culture! You can improve your Russian language and cultural knowledge at the same time!

The goal

The goal of our courses is to help you improve your listening, reading, writing and speaking skills, practice and expand your vocabulary and knowledge of grammar and phonetics. The courses strongly emphasise active communication. The lecturers will also give presentations about Russia, its people and culture.

Certificate / Credit Points

After successful completion of the language course you will receive a certificate, which indicates the training time and the level of proficiency in Russian.

Target Group

Our intensive Russian courses are designed for international students and graduates with the minimum age of 18 who seek an authentic experience and real immersion into the Russian culture and language. We expect participants from all parts of the world!

You can start our intensive Russian courses without any knowledge or you can perfect your Russian language skills.

Courses are offered on all levels - provided that there are enough participants who have the language skills required for the respective level.

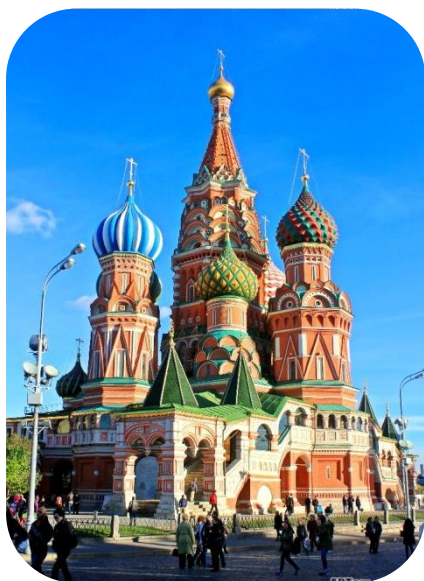

Courses start with a baseline test. According to the results of the test language groups are formed in accordance with the European system of knowledge levels: elementary, basic, first certification.

Lecturers

Courses are taught by highly qualified teachers of the Russian language, using modern methods of teaching.

Accommodation - on the basis of a hostel MGSU.

The cultural program of Russian language courses in MGSU includes:

- Bus sightseeing tour of Moscow;
- Visit to the Kremlin;
- Visit to the Tretyakov Gallery;
- Excursions to historical and literary places in Moscow;
